

# Chipboard & Linerboard Pallet Liner Sheets/ Tier Sheets

## Pallet Liner Sheets / Tier Sheets

are indispensable when transporting your precious cargo. Our pallet liners help protect from moisture, shifting, dirt/dust and damaged pallets.

### Features and Benefits

- Adds a barrier of protection from soiled, damp or damaged pallets (nails, splinters)
- Chipboard is made from 100% recycled content and Linerboard is 40-60% recycled with both being 3rd party, "certified sustainable".
- Fully recyclable and compostable
- Aids in load stability
- Uses up to 7 times less storage space than corrugated liners
- Typically priced better than corrugated liners
- Available in various gauges and sizes
- Proudly Made in Canada
